Our Frontline Families ministry team travels on Teen Mania Ministry's Acquire the Fire tour conducting Parent Workshops during the weekend Teen Conferences. The theme of the Parent Sessions on the 2013-2014 Acquire the Fire tour is "Not Open: Winning the Invisible Spiritual Culture War".

In addition to speaking at the Friday/Saturday Acquire the Fire event, our ministry team often speaks in a local church while still in that city/metropolitan area.

We are coming to a city near you!
